

The Sanctuary at Costa Grande

A spectacular new waterfront community located on the Texas Gulf Coast! Located on the unspoiled eastern coast of Texas, approximately 125 miles from Houston and approximately 160 miles from San Antonio and Austin, nestled in nature, is a wildlife sanctuary with a lush array of diverse plants and animals – on land and in water. Nowhere else in Texas will you find this rich and rare living experience. *Welcome to The Sanctuary at Costa Grande, a resort community offering spectacular water view and waterfront home sites.*

The Sanctuary at Costa Grande: Property Overview

For the fortunate few, living at The Sanctuary at Costa Grande means a life away from the everyday routine. From the moment you turn onto the bridge and experience the neighborhood views from the entrance, you'll know you're in for a distinct stay. The entire location has been elevated to capture the best of The Sanctuary at any angle. Whether you walk, ride your bike, or boat through your surroundings, you'll be wrapped in amazing natural views in each direction. In the backdrop, you'll see the ocean and inspiring wetlands rare to Texas coast living. The views are unsurpassed, and the lifestyle even better. Discover the best kept secret on the Texas Gulf Coast.
